Attention: External Affairs

Dear Mr. McMahon:

On July 19, 1984, you notified me that some GAO employees with [redacted] access did not meet the investigative criteria of DCID 1/14. Additionally, your letter requested GAO initiate action to update the background investigations (BI's) on those employees who did not meet your requirements and needed to retain their [redacted] access.

My September 24, 1984, response to you indicated that action had been initiated to process new BI's on Messrs. [redacted]. The purpose of this letter is to provide the new investigative data, as listed below, to bring your records up to date.

STAT

Additionally, I would like to assure you that in the future we will take the necessary precautions to more closely monitor the investigative standards of GAO employees who have SCI access.

If you have any questions or concerns or need additional information please feel free to contact me on 275-5518.

Sincerely yours,
